

Name: _____

Date: _____

Please fill in the blanks with observed pattern.

1	2		4		6		8
---	---	--	---	--	---	--	---

2	4		8		12		16
---	---	--	---	--	----	--	----

3		9	12		18		24
---	--	---	----	--	----	--	----

5		15	20		30		40
---	--	----	----	--	----	--	----

10		30	40		60		80
----	--	----	----	--	----	--	----

Please work out the following math problems.

$2+8+5=$

$3+7+6=$

$1+9+2=$

$4+6+4=$

$9+1+7=$

$2+8+1=$

$7+1+3=$

$5+5+5=$

$8+2+9=$

$6+4+6=$

$7+3+2=$

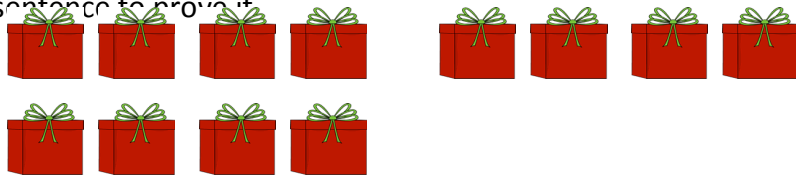

$9+8+1=$

Name: _____

Date: _____

Please work out the math story problems.

I have received 4 Christmas gifts. My mom gives me 4 more Christmas gifts. My father also gives me 4 gifts. How many gifts do I have now? Please show how you know drawing a picture and writing a number sentence to prove it.

$$4+4+4=12$$

I have 12 gifts altogether.

I have received 3 Christmas gifts. My sister gives me 3 more Christmas gifts. My brother also gives me 3 gifts. How many gifts do I have now? Please show how you know drawing a picture and writing a number sentence to prove it.

I have received 5 Christmas gifts. My father gives me 5 more Christmas gifts. My mom also gives me 5 gifts. How many gifts do I have now? Please show how you know drawing a picture and writing a number sentence to prove it.
